DAY 02

Day Two: Caucasus mountain tours and the Gudauri resort

After breakfast we set out for the heart of the Caucasus mountains. Forty minutes into the drive we reach the historic Ananuri Fortress on the Aragvi river. The area is unusually beautiful, and we spend some time there taking photographs and visiting the historic sites. Continuing on, we enter the town of Pasanauri and the Pasanauri river, known for its river activities and rafting, and carry on to the town of Gudauri, famous for the highest peaks of the Caucasus, on the Georgian–Russian border.
The scene there is beyond describing or imagining, with the clouds embracing the Caucasus peaks. We take our time for photographs and to enjoy the Caucasus landscape, then make the return journey to Tbilisi — overnight.
